FUN WAYS TO FUNDRAISE

AvMA relies on its charitable fundraising to continue to develop and provide support to people affected by medical accidents and to campaign for patient safety and justice. We have developed a whole range of opportunities to raise money for the charity and have fun at the same time. These range from holding a coffee morning to doing a sponsored parachute jump. Some other ideas include organising a charity golf day or quiz night in support of AvMA, or doing a sponsored run or other activities. Our events team will provide you with all the help and support you need. Contact them at conferences@avma.org.uk or visit "[Support Us](#)".
