Families involved in both the Harold Shipman and Beverly Allitt cases - have gone to these solicitors for help. Now they ^{are asking questions} ~~want answers~~ about what has gone on at Gosport War Memorial Hospital. Elsie Devine died there in 1999. Her daughter says she's determined to find out why.

"Somebody has to be made accountable. The abuse and cruelty that happend to my mother. I won't rest until someone's been made accountable."

More than fifty families have now contacted the Police, saying they have concerns over the death of loved ones at the hospital.

there was malicious wrongdoing. Is there a chance that this may be the same case here."

"We just don't know yet. We don't have enough information yet to identify precisely what was going on. The Police are involved. An investigation is ongoing. It would be very wrong of me to comment at this stage."

A recent investigation by the Commission for Health Improvement said there was excessive use of pain relieving drugs at the hospital.
