Mr Wilson. We think CPS did give you all the evidence. Can.

Paul Cline. Can you be certain that you have seen all the evidence.

If have seen them - please explain why not taken into account. Paul Cline fully accepts - concerns. Not important is a definite list - Wants to ensure that they are omitted too.

Paul Cline - I do not believe there is a government cover-up. My personal point of view - I am disinterested. Genuinely put hand and heart - I have never been involved in anything to prosecute or not prosecute.

Paul Cline - We don't have a minister. Jack Straw deals with administration of the Court-Martial we have to a minister is the Attorney General. Gwyneth Steward is the nearest to a minister.

Charles Farthing. Mr Blair said - will never see another Scipion. He said government will never see another

"The British public will never ever see another Scipion"

NAS expose Website -

Mr Wilson - No one is

Mr Wilson - Barton - makes Scipion look like an amateur. She is a psychopath. She laughs and jokes with Gaultier -

Mr Wilson. At the request she denied everything. On the first day of the hearing of GALT - she admitted about 60%.

Paul Cline - we need to reconcile - what she said at the request and GALT.

Independent website -  
I was the patient officer - I was concerned about  
the number of deaths - Cases of death - usually

Nurse Furling. When I arrived at the hospital in  
March of morning. I knew he had an appointment  
that morning. I asked where the way of reception

Cleaver - said "It's the death ward mate" Cleaver  
or a patient.

I found Jayou sitting up in bed. He said they had  
bought me in for a bit of treatment. He said later  
he will cancel

Mr Parkington - What is new is about a patient asking to be killed.

C.F I was not aware that according to Dr Law - he had asked her to end his life.

Dr Law - evidence at the GMC hearing - Saw step father had asked to help him die. About 4 days before he was admitted.

Paul Clue - not quite sure where that takes us. Had a competent and responsible plan. Why did he get put in a behavioural care plan - the same day as admitted to hospital?

Charles Parkington - whether Police's fault - Paul Clue. Police are supposed to supply all the cups. My wife is a dental cardiac - she has tried to keep me out of this. She remembers me calling a Murderer. I accused her of

Baron - refused to call it a murder hearing?

He did not allow that to happen. I know what the language driver was.

Multiplicial means of endorsing

Black

Baker

Wilcock.

Given pro doses. Likely to be excessive to GPs needs.

Conductors were awarded to "not have directly  
contributed to his death".

Knew that morphine caused after.

GMC.

Awarded in letter to Chief Executive.  
Sets out general concerns.

Justification -

Prosecution - not here.

We are creatures of statute - Part 10 of the Statute  
Order: -

(1) Realistic prospect of conviction on the evidence

(2) Is it in the public interest.

Cannot say it does either way round. 1st bit (evidence).

Second (

Guspat Police is a part of Hampshire Constabulary. I have been very outspoken. Complained. Thurst - Hampshire Police - Cannot and Guspat - in complaint.

Ex deputy chief constable - said - you do not need to conduct a crime. I have a lot of a part. I had to write to him about being harassed. Until 4 weeks ago. I said some derogatory things.

Arrested - allegation. That I spat at him. Charged with harassment. Other police is a cocaine dealer. Police know that no chance of winning this case.

Paul Cline - Cannot and will not comment on a current or pending case.

Can only comment on the hanging -

Mo Wilson - This is a matter for you personally.

Paul Cline - It is down to the local CPS.

It's your view. You are entitled to your view.

Paul Cline. That's the only test:-

- (i) Is the evidence sufficient - If yes then - say
- (ii) Is it in the public interest

McDon - finding a big conspiracy - to prevent the cure of AIDS -

London / Grade / Carthage / Janet.

You are saying that Sir Newblin - murdered your father? Want to know if the CPS has

Grade.

Grade  
Newblin

There was sufficient evidence. See adult giving her alternative program - see adult giving huge doses.

Newblin - What about her.

Mr Wilson - cannot comment as a current case.

Paul Cline - cannot talk about a

Paul Cline - hear all your say - cannot say any more. You are entitled to your goods. Must talk up your new - Must talk up with

Cannot comment as a current. Paul Cline. Only the CPS can apply the fact in a different matter.

GMC.

We wondered why took so long.

Prof Christopher Ballkrode - He is Baron's younger brother. I am assured that it has made no difference.

Also a conspiracy in the GMC.

Pauline. How is that relevant?

Mr Wilson. I believe that if the GMC do not cover up her acts. If the GMC strike her off. I do not see how the police can avoid charging her.

Mr Wilson. If she is 'struck off' - do not see how you cannot

Truly Prof Ballkrode has been protecting her.

Pauline. matter was referred her. Was local police originally. Obvious thing is to move away from Hampshire.

Mr Wilson. Do not know -

Are police obliged to pass on the evidence - Yes.

In light of the recent hearings - Chief Constables will wish his officers - with new information.

Mr Wilson. We had a meeting with Deputy C Readhead.  
- heard  
He said - no stone would be left unturned. The officers  
would investigate and interview.

Paired up to CPS.  
CPS - said "no".  
Left home David Perry - said no.  
We were led to believe that all evidence.

Mr Wilson. Difficult to trust any thing the police  
say. Why I am quite <sup>interview</sup> <sup>new</sup> police credible. Lot of

(F Everyone) investigators  
Senior Officers - all retired

Mr Wilson  
Main message that police are withholding evidence.

My police statement.  
Mr Wilson. I objected to use of police statement -  
for GAC and inquest.  
Statement you will have got.  
Statement.  
Was there.

Mr Wilson. Statement to the Coroner - not a true  
statement. Did not get a copy at the time. At  
the time. First asked to volunteer and asked  
at the police station. Had to sign a letter

at our house to confirm that I was not recording the interview. This was six years after.

Ann alleges conspiracy involving everyone. Mr Wilson - I don't. I don't think it's within the police.

They screwed up at the start. Rather than investigate source.

Summarised by Paul Clue.
