Telephone call from Rachel Hine from The News. She was wanting to speak with John regarding his meeting with the CPS today. She said that the families had not told them about the meeting today and they would like to get something into the news tomorrow. She said that details of the meeting that was taking place today had been on the BBC news already.

Please can she have a call back: Code A

John - I believe you already have a message from her to give her a call.

Thanks
