Telephone Out

3 Units (John White) - Source - Gosport War Memorial Hospital

Telephone conversation with Stephen Lloyd. Discussing meeting at Port Callas on 3 November 2009. Noting need for the families to agree the line we take with the press. Also I will let him know if I hear anything about the news broadcasters attending. Prearranging telephone meeting to take place with him on 2 November 2009 so that we can decide how the story will be presented. Noting also practical points about timing and location of any statements to the press.

A handwritten signature in black ink, appearing to be 'de'.
