Hi John

Yes. Thanks. A good Conference. We had a bit of a bump part way through but have come through fine. Polls have put us up 4 pts so we're going in the right direction of travel.

I had an excellent catch-up with Norman. He is very, very fired up about this issue so please reassure your clients that though its been a terribly long haul for them, we are going to put all our efforts behind this case. On that score. He's fine on the pr front but suggests your photographer either (a) joins us and we take the photo inside or (b) waits downstairs and we take a group pic outside. Let me know which you prefer.

Transcripts - yup. I'll wade through. Any probs I'll let you know.

Coroner? I did wonder if he'd do that once the police started moving again.

Regards

Code A

ps: The relevant tory mp's have not filled themselves with glory on this issue. First off the duck-house man in Gosport and now, Gillian tells me that our mp, my opponent, has suddenly contacted her eager to help. She wanders whether its anything to do with the coverage we got in the local paper as he'd done nothing, apparently, to assist over the last 5 years....

Hi!

**Re Gillian MacKenzie**  
**Gospot inquest - Dr Barton**

I hope you had a good conference.

Gillian has been in touch. She kindly said that you would be able to hang on to the transcripts on email for her. I am going now to email them through. They are quite voluminous.

Also the Coroner, Mr Horsley, has now suspended matters pending resumption of the investigation by the Police. I will forward a copy of the letter from him.

Overall I think the families still feel very much stuck down by the authorities in this and they certainly need your help, which is much appreciated.

Best wishes
