Hi Gemma!

Please can you do a letter to go to all the people on the contact list which you kindly prepared recently.

Dear ...

Re Gosport inquest - Dr Jane Barton

I write with a brief update. As you may be aware on 20 August 2009 the General Medical Council completed their findings on the facts of the professional misconduct case against Dr Barton but they are yet to rule on the misconduct issue itself.

Over the next few days we will be reviewing the factual findings with a view to making further representations to the Crown Prosecution Service about Dr Barton. I will be in contact again shortly with a further update.

Best wishes
