Dear Sir

Re Gosport inquests - Dr Barton

We write with an important update. As you will be aware the General Medical Council have today made their findings of fact in relation to the actions of Dr Barton and it is my understanding that nearly all the charges have been upheld. I am awaiting receipt of the transcripts of the allegations and findings and will forward these to you.

In the circumstances it does now seem essential that the prospects of criminal proceedings against Dr Barton are reviewed as a matter of urgency. I would like to meet with yourself, with other of the leading family members present.

Please can you consider the material as it becomes available and state the CPS's position.

I look forward to hearing from you.
Kind regards
