Dear Peter

Re Gosport inquests

I am returning to you with the promised update. Unfortunately its not very good news overall. I have attached a note for you to consider. Overall I am really quite stuck. Its difficult to see that without any resources and given the responses from the families involved that we can have much impact on the inquest.

I am around tomorrow, aside from a meeting early afternoon, if you would like to talk it through.

Sorry its not more encouraging.

Best wishes
