JCW telephone call with Mr Stevens, advising him about the timescale for the Inquest. He is not one of the ten families but we will keep him up dated through AVMA. He thanked me for this.

JCW telephone conversation with Mrs Sharp. She sent her details to us recently. She noted she was in the Minutes of the Meeting and was concerned that she may be liable for legal costs having retained us. I reassured her that the information being provided back to her through AVMA was for free. She thanked me for this. – 2 units
