Brilliant - thank you so much

On the funding point - would you be able to ask your clerk to prepare an estimate for all your work (including preparing for and attending at the hearing) with breakdowns of costings for counsel's fees. In due course I can include this with the application. I hope this is okay.

Look forward to speaking with you soon.

Best wishes

Dear John,

I have been in contact with Richard Stevinson at Crosse and Crosse in Exeter and he is more than happy to speak to you about applications for exceptional funding from the LSC for inquests. I suspect he is best off giving you an overview, but it would be worthwhile you also speaking to Penny Evans at the same firm as she has been dealing with most of the practicalities. Richard is a partner and Penny a Legal Executive (a v competent one!), so you might be better starting off with Richard. Penny is not in today but works on
