Hi!

Not part of the instructions but on a general impression:

- We need enough structure to the inquest to be able to apply to the LSC for exceptional funding
- I think we are bound to need more than one pre inquest hearing
- We should wait for the outcome of the GMC
- Next year is a much more realistic timetable to hold the inquest
- We will need time to sort out funding ie not too much front loading of the inquest work
- If funding is not available then I wonder if between Blake Laphorn and Outer Temple we can offer a scaled down arrangement - may be some type of rota within a group of junior members of the firm and of chambers

Just a few thoughts!  
Best wishes
