Gillian,

To confirm, I am very happy that AVMA through Blake Laphorn represent my interest in the forthcoming Inquest.

At the meeting (31 July), I understand that it was generally agreed that;

1. We are represented as one group, at one Inquest.
2. Before a Jury
3. Share evidence

I have a few additional incomplete contact details of relatives that may be helpful. These were collected in 2006 when an attempt was made to form an 'action group' and information website.
