Hi!

RE Gosport client enquiries

I am in Alton today doing a talk for the medicolegal society based up there. I'll work from the hot desk in Winchester until late morning then go on to the talk and try to get down to Fareham later on this afternoon. I am working on something else urgent so would prefer not to take telephone calls here unless absolutely necessary.

- Mrs Gregory emailed me and would like us to represent her.
- My guess is that Mr Farthing will want us to represent him.
- Mr Wilson is the agreed contact person out of him and Mr Logan - its harder to predict what he will decide.
- Some new clients out of "the ten" may come forward after the press stuff yesterday

Please can you direct enquiries to Anita and in particular if Mr Farthing or Mr Wilson call to let us know if they would like us to represent them.

Thinking aloud, I wonder if we need a specific account number for all Gosport work and also a legis type file where we have a contact list and we can simultaneously write to the Gosport clients to update them.

Thanks for your help yesterday

Best wishes
