Hi!

Fine thanks. Frenetic activity re work but its going alright.

Many apologies but I have not yet done the McNally letter. I had been suffering from a bit of writer's block with it but I think that is about to pass.

Were those questions of any help please? I can email them to you in word if you would find that helpful.

Waterson is such a pain. Happy to speak privately about that with Stephen.

In relation to the McNally letter, would you be able to give me a little more time to come up with something. Really sorry have not managed to do it.

Thursday is quite booked up for me but there is some clear time on Friday. I have a meeting at 3.00 pm but if there are any other times that day which would be good for Stephen please can you let me know and I will call him.

Look forward to hearing from you.

Best wishes

Dear John,

I hope all is well, I was just wondering if you have had much luck with the letter to Lord McNally.

On a separate note, there have been some developments with Nigel Waterson over the last week or so and I was wondering if you might be able to give Stephen a call at some point in the next day or so to discuss them. It would be much appreciated if you could keep this private for now.

With best wishes,
