

White, John

Subject: Gosport - Letter from CPS

Attachments: 20101005112855008.pdf

Hi!

**Re Gosport - Dr Jane Barton
Request for disclosure**

Another piece of outrageous blocking tactics; I thought you should be aware of this response. More obstruction from the authorities.

I have sent just an interim holding letter and perhaps you can consider the further responses.

Usual disgraceful approach. You may wish to share it with the MPs.

● Hope everyone is well.

Best wishes
