Hi!

Re Gosport - Dr Barton

Just an update : -

- Interesting article enclosed; I will get in contact with her assistant who is Glen Duggan. He is helpful;
- On 13 September I am meeting with Stephen Lloyd in London;
- Last weekend I prepared a draft EDM which I have forwarded to Stephen. I think he is making a few changes but it should be ready soon.

Please let me know how it goes with Chris Huhne.

Hope you are all doing okay.

Best wishes
