Gosport CF letter to  
NMWC 28 0...

Hi!

### Re Gosport

Thank you for the emails last week.

I have put some suggestions in the letter to the Nursing and Midwifery Council letter but please feel free to adjust this as you feel is needed.

Thanks also for the update in relation to the public enquire. It seems they may still have an open mind on this.

Hope all is well and that the letter is helpful; attached with proposed changes.

Best wishes
