Hi!

Good to hear from you. I hope that you are keeping well.

Currently its the General Medical Council and then we will look again at criminal proceedings or a multi party action. The GMC hearing may take a few more weeks and then I will be back in touch with an update as to the next steps.

Hope this helps a little. Do please let me know if you have any questions.

Best wishes

Hi John

re, hospital inquests, Sheila Gregory

Just wondered if you could let me know what is going on at the GMC. I notice my nan's name is not mentioned in the news when they report it, but other names have now appeared.

Hope you are keeping well.

Many thanks
