Dear Mrs Packman

Re: Gosport Inquest

It was very nice to speak with you again recently. As you are aware the General Medical Council hearings are now taking place.

Further to our conversation I confirm that:-

- (i) Current work with regard to the Crown Prosecution Service and General Medical Council is being carried out on a pro bona basis; and
- (ii) In due course when we do a civil negligence action, it will be on a "no win no fee" basis.

In no circumstances will any legal fees will be charged to you.

I hope this provides the reassurance you need.

Best wishes.

Yours sincerely

John White
