Hi! thanks

Apologies for the delay. Just a number of other urgent things pressing at the moment.

Yes - I 'll certainly ask the Police for a copy. I'll think I will have to go via the coroner so I will go to him first.

Ann is in contact with FFW. I think she is looking at a conference with them so you may hear more soon.

Best wishes

Dear John,

I am a little concerned to hear that my step-father's carer/cleaner (Shirley Selwood) has been asked to attend the GMC hearing. Although I have no contact with her directly and have heard she has refused to attend, it leaves me with the uncomfortable feeling that she had made a statement to the police along with all the other witnesses in 2005/6 - or how else would the GMC know about her?

My question is whether you might consider asking the police for a copy of her statement please, as it could well have some bearing on why the police eventually refused to prosecute, and we ought to know I think, especially ahead of the GMC hearing.

Please let me have your thoughts.

VBW
