Dear Christine

Thank you for your e mail re my comments and Patrick,

Of course you are welcome to use my comments,

I would like to say further, that without Patrick's help and expertise, I believe that we would not have got the result that we ended up with.

Regards to both you and Patrick

Dear Mr Wilson

I work with Patrick Sadd and organise the marketing around his practice. He told me that you'd said some very nice things about him and I wondered whether you'd allow me to use this comment (below) from one of your emails or another quote to put on his biography page on our website. If you would be happy with this I can attribute the comment in any way that you would like eg. Client, Gosport Hospital Inquest; Iain Wilson, family member, Gosport Hospital Inquest.

"thanks for today I think you've done brilliantly and judging by the BBC news report tonight you certainly got your points across"

If you would rather not do this, please do ignore this email.

With best wishes
