Call from Mr Walsh who rang a couple of weeks ago and spoke to someone here. He wanted to get in touch with the others involved in GWMH as he has a similar incident in London hospital and wanted some advice about where to go with bringing a claim.

He contacted AVMA who said it was OK for him to be given their contact details.

I took his number Code A and said I would speak to John about whether we pass his details on or whether we can help him.

A handwritten signature in black ink, appearing to be 'Gemma Bailey'.
