### Attendance on Client 1 Units (Gemma Bailey) - Unknown - Gosport War Memorial

GWMH day 20

Coroner – at this stage propose to give majority direction

(jury in)

Coroner – clarify things. Some doubt yesterday re procedure. Once facts decided will call back to court and go through cause of death and answers for each death. Coroner then signs and jury sign for each person. At this stage wanted unanimous but will now accept majority – 6. 2 can dissent. Any dissenters will sign inquisition as dissenters. Doesn't matter which bit dissenting to.

(jury left)

Coroner – families will want to know what happens when complete. File certificate with registrar, no new death certificate but note will be made of changes. Contact registrar for where to go from there.

Coroner – question from jury. Ruby Lake – querying doses of diamorphine given. 20mg on 19<sup>th</sup>, 20mg on 20<sup>th</sup> then changed to 40mg?

BB – 20mg on 19<sup>th</sup>, 20mg 09.15 20<sup>th</sup>, changed at 16.55 to 40mg, then 60mg on 21<sup>st</sup>.

Coroner – deliberating as we speak.

Coroner – no prospect of coming to conclusion this afternoon. Resume Monday. Will do nothing this afternoon other than dismiss at 4pm.
