Hi!

The application went in at the beginning of the hearing for Patrick. The LSC did say at the outset that they could not deal with it urgently.

I did have to break the LSC's arms in the end when it came to confirmation of funding with Tom so I have not been so rough with them since - did not want to risk too much bad feeling! This morning I sent the case worker (who is very senior) an email to chase him up politely. I have not heard anything back but its quite difficult to exert more pressure. I'll call him if there is no more news by tomorrow.

I think this is probably best. The way things have worked out, I suspect that we would have good grounds to appeal if the LSC do not do the business. Happy to try any other techniques you feel may work!

Hope it goes well with you.

Best wishes

John

John,

I hear Patrick is doing a sterling job.

Can you let me know how you are getting on with funding?

Thanks
