Much appreciated John, and I would certainly like a copy of your notes please. I have also asked a friend (Mike Tyrer) to attend on my behalf, and the corner has agreed.

Kind regards,
 Charles Farthing

Thank you for this John, although a very disappointing to say the least.

I always thought pro bono funding was an option (at least according to the barpropono website it is), and therefore my expectations were rather higher than they should have been.

The system certainly favours the wealthy, there can be no doubt about that, and justice is just a word of no consequence when it comes down to it.

Best wishes,

Hi!

Re Gosport inquests

I hope your time abroad is going successfully. I enclose letter with important update. Unfortunately there seems little prospect of obtaining public funding and the scope of what we can offer is therefore very limited. I have set this out in the letter.

Best wishes
