Telephone In 4 Units (John White) - Unknown - Gosport War Memorial

JCW long telephone conversation with Gillian McKenzie.

She had got some more information for me. She referred to reports done earlier in the case. In relation to Charles Farthing's Father, there was a report by Professor Baker but she believes that was actually an audit report. Reports were done in relation to family's of Charles Farthing, Ian Wilson, Gillian McKenzie, Emily Yates and these were done by:-

1. Dr Keith Mundy.
2. Professor Gary Ford.
3. Dr Brian Livesey.

She believes that the Police have not passed on all the relevant documentation to the Coroner and she thinks this is wrong. She believes that the reports from Dr Mundy, Professor Ford and Dr Livesey were used to present the Commission for Health Improvement Report.
