Telephone conversation with Mrs Packman.

Just dealing with her query about the Legal Aid forms on statutory charge. Noting in fact that we are doing an inquest and therefore there are no damages against which the charge could apply. She asked about doing a clinical negligence claim. I said at the moment we would not be doing this. If this did happen then we would need her permission to start a separate set of proceedings. She is reassured by this.

A handwritten signature, possibly 'JW', in black ink.
