Attendance on Client 2 Units (John White) - Unknown - Gosport War Memorial

Telephone call in from Mrs Packman further to my letter to her of yesterday's date. She says that the forms were posted into us at the end of September so she is at a loss to know where it has gone. They were sent to our Fareham address. I advised that we had recently moved offices but we do have a re-direction service so it should have been delivered to us. I said that we may have to send her some new forms to fill in. She said her brother filled in the forms and he lives up north. He is next back south towards the end of November. I said I would double check that we had not received them but if not that we would have to send her out a new set of forms unfortunately.
