

White, John

To: Charles Farthing
Subject: Gopsort

Dear Charles

Re Gosport

Well done yesterday. I think you showed great dignity and came over really well in front of the press.

I can say with certainty that we could never have achieved yesterday's result without you.

As things calm down a bit I will be in contact.

Your role in this has been key to getting off the ground and your dedication has been fantastic.

It was very good to meet your wife too yesterday.

Best wishes
