Hi!

Hi!

Many thanks for sending this to me. I have at last had the chance to have a good look through it.

I think its just right. The other day I had anticipated trying to make additions but looking at it again I think it is spot on.

As said, many apologies for the delay. Its been a bit of an avalanche starting this week.

Please can you proceed with the letter and let me know when you hear from the CPS.

Best wishes
