Subject: Letter to CPS

Hi!

Re Letter to CPS

I hope your trip was successful.

Please accept my apologies but I have just been caught up in quite an urgent matter on another case which has set me back rather this week. I wonder would it be okay if I come back to you by tomorrow morning. Many apologies for the delay. I had an unpredicted start to the week.

On a separate matter the NHS would like to write to the families in the inquest and have asked if I can provide the addresses. I have told them that we are discussing further action anyway. However please can you let me know if I may pass your address on to the NHS so that they can write to you directly in the first instance. I would like them to communicate with us as soon as possible.

I look forward to hearing from you.

Best wishes
