Dear Sirs

**Re Gosport War Memorial Hospital Inquest  
"Exceptional funding"  
Claim for costs**

I hope that you are keeping well. We have now finished the inquest. The GMC hearing in to Dr Barton is now due to commence shortly.

I have collated details of our costs; please see enclosed letter and details. I am being chased by Counsel in terms of payment of their costs and of the supplementary applications as well as my own finance department.

Please can you consider and assess the claim for costs. I am very happy to provide you with the papers if you need to inspect them and I look forward to hearing from you.

Best wishes
