Dear Louis,

Thank you for your message. Paul Close has come back to me with a request. Could you kindly prepare a formal unified document in response to the specific points raised in the correspondence from the families? This is to assist him to respond to their Solicitor, John White and hopefully finalise this case. Do give Paul Close a call if you need to clarify anything, he is on [Code A] My number is [Code A]

Kind regards

Paul

On Rochester, the further documents you contain various representations by and on behalf of some of the families.

In respect of the allegations of conspiracy, etc, we do not feel we can offer any meaningful response.

In respect of the substantive points, we feel we have addressed the relevant issues in our advice.

Let me know if you need anything else.

Regards

Louis
