Dear John,

Please let me know if the fax has gone through OK.

If you would like to send through, when convenient, an electronic version of the GMC transcript which you have just received, I will arrange for copy sets to be prepared here for consideration by counsel and by me.

It would seem prudent to consider only the original tranche of your clients as envisaged and not to include the

21/09/2009

case of Gillian Mackenzie. I note that has apparently received today a letter from Hampshire police possibly concerning new enquiries. I confirm that I have no knowledge of this. I also note there is seemingly an impasse between her and HM Coroner as to the convening of an inquest. Again I have no information about this.

If you could also copy the transcripts to my colleague [Code A] [please see details above] she will be able to prepare the copy sets. I am working away from the office next week.

Kind Regards,

Paul.
