Hi Simon

What day are you proposing to do this? Both A Code A and Code A are back on Monday and I think Code A has dealt with this in the past (as have I). Unless we are proposing charges, I would see this as a short statement along the lines of the inquest not giving us any fresh evidence and our original decision still standing. I think Code A could do this on Monday, unless that is the day you are proposing to announce the decision, in which case I would do it.

Best wishes

Julie
