Dear Detective Inspector Grocott,

Thank you for your letter of 9 July 2009 with enclosures, received here on 14 July. I hope to get to grips with the new material in the near future. Perhaps I can get back to you on your kind offer to supply emails of the transcripts if there is any problem.

I note the GMC transcripts are likely to be available in a month or two. I envisage we will have to consider them carefully, in case anything material arose at the hearings.

Yours Sincerely,

Paul Close,

CPS HQ
