This statement (consisting of 2 pages each signed by me) is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it anything which I know to be false or do not believe to be true.

1. I am a Health Care Support Worker employed by Portsmouth Hospitals NHS Trust at Gosport War Memorial Hospital. I have worked in this capacity for 5 years. Prior to that I worked as a Health Care Support Worker at St Christopher's Hospital Fareham for five years. In August 1998 I worked in Daedalus Ward as I do at the present time. Daedalus Ward provides continuing care and slow stream stroke rehabilitation for frail elderly patients. In August 1998 Daedalus Ward comprised eight single bed rooms and four 4-bed rooms i.e. capacity for 24 patients in total, as it does today. My duties as a Health Care Support Worker are to assist in the general care of patients, washing, dressing and feeding. My role is to assist the qualified nursing staff who supervise me. As a Health Care Support Worker I do not make decisions as to how a patient is nursed. I am not involved in decisions concerning medication or the provision of intravenous drips. If I identify any problem with a patient's care I refer to qualified nursing staff.

2. I have checked the on-duty rota for August 1998. My on duties between 11 August 1998 and 21 August 1998 the period covering the late Mrs RICHARDS' two admissions to Daedalus Ward were as follows;

3. I do not recall the late Mrs Gladys RICHARDS. All I can remember is that she was a patient in room 4 on Daedalus Ward. It is possible that I cared for her during her two admission to Daedalus Ward. I have reviewed Mrs RICHARDS' case records. I have not made any entries. I recall Mrs RICHARDS' daughters, Mrs LACK and Mrs MACKENZIE complaining about their mother's treatment but I am unable to recall any details.
