Dear Mr Cunningham

The results of the swab to the sores on your bottom shows that you have an infection in it.

The following has been prescribed.

1. **Start taking METRONIDAZOLE 200mg tablets 1 tablet three times a day.**

Please finish the course.

Please attend Dolphin Day Hospital as previously arranged.

Transport has been arranged and will collect you some time after 8.30am. Lunch will be provided.

Please bring **ALL** your medications with you **EVERY** time you attend the day hospital. They will be returned when you leave.

Yours sincerely

**Code A**
