Dear Mr. Cunningham

Dr. Logan has made the following alteration to your treatment.

1. INCREASE the SINEMET to 5 times a day, i.e. 1 tablet at 6.00am, 1 at 10.30am, 1 at 3.00am, 1 at 7.00am and 1 at midnight.
2. You should OMIT ALL ADDED SALT to your diet - this will help to reduce your blood pressure.
3. Continue with a sugar free diet.

Please attend the day hospital on Thursday 12th January to see Dr. Bell very briefly, and also please continue to attend weekly on Tuesdays for a while.

You do not need to keep another chart.

Yours sincerely
