Dr. Grocock  
1 Rowner Road  
Gosport  
PO13 9UA

Dear Dr. Grocock

**Arthur Cunningham - 13.03.19.****Code A**

Just a line to let you know that Mr. Cunningham's KUB x-ray done recently shows a small clinically insignificant residual fragment in the lower pole of the kidney. We shall follow this up in our Out-Patient Clinic once a year.

Yours sincerely,

V. Manchar FRCS  
Staff Urologist
