(A) there was no intravenous drip given, so this
 would not apply.
 - that the point it was never given

Mrs Mackenzie then emphasized that
 the original complaint was that she had
 not been told of the consequences of the
 driver. Pointed out that on page 5 of her
 notes her sister stated that they had been told.

Sent by H.Q. Yes 1.
 No 2.

Asked if the SMC had been involved stated
 that they had not.
