I am employed as a Medical Secretary in the Accident and Emergency Department of the Queen Alexandra Hospital, Cosham.

At the request of the Hampshire Constabulary I have printed off from our medical archives, the record relating to Geoffrey M J PACKMAN born Medical records held within this department are only held in paper form for a couple of weeks after they have been completed. They are then copied onto a disc and held on a database. Each disc holds hundreds of patients records.

Having checked Mr PACKMAN's records I can see that the medical notes page has not been copied to disc. I have made enquiries with our records office and this document is no longer in existence. I produce this record as JHVP/AE/1 .
