Hi Code A
Thanks for this.

One minor correction - please can you change Hampshire Police to Hampshire Constabulary.

Secondly, I've just spoken with my Assistant Chief Constable, Mr Watts, who asks whether it would be possible in terms of a partnership approach to this investigation, if the CPS release could incorporate a line on the police investigation - as commended by Mr David Perry, of counsel.

Mr Perry commented on the thoroughness and extensive nature of the investigation our officers carried out, during what was a very complex inquiry. It would be extremely helpful if your release could reflect this.

Please can you ask your managers/director, as I know Mr Watts is always keen to reinforce the partnership approach.
If you cannot include this, please can you let me know as soon as possible.

Thank you. As always, call me if you need anything - Code A

Please see the attached press release. It has yet to be cleared by the DPP and I'll send you the approved version when I get his clearance..

Best wishes
