Subject: Charles Farthing and Gosport Hospital

Hello Code A

I have been allocated this matter to answer the question about the extent CPS knew about and or took into account the Baker report which has just been published. I have been passed several emails by Malcolm. Can you tell me if there has been any response at all to Mr Farthing so far? I can't see the feedback system so I don't know if anyone has sent any acknowledgement or a timetable for our reply

Thanks
Hilary
