Hi Sally

This letter is nearly identical to the original email received from Mr Stewart-Farthing. As Hilary's response has already been sent and must have crossed with this letter, if you agree, I don't think we need to reply.

Hi all,

Hilary has sent a letter to this correspondent, which crossed with this (sent by her on the 21st) No further reply needed unless anyone wants to send a bare acknowledgement and reference to our earlier letter?

Regards

Sally
