Thank you for contacting Crown Prosecution Service (CPS) Enquiries

The CPS is responsible for prosecuting most criminal cases in England and Wales, following a police investigation.

If you are contacting CPS Enquiries in relation to a case which is presently before the courts, or in relation to a case which the CPS is advising the

police on charges, you should contact the relevant CPS area directly. Contact details for the 13 CPS regional offices can be found at the following link:

http://www.cps.gov.uk/your_cps/our_organisation/the_cps_areas.html

Your query may be forwarded to the relevant CPS regional office in the best position to respond to any issues that you have raised. If your email is forwarded, a response will be provided to you by the relevant CPS regional office within 20 working days.

Please note that if you have previously been advised that the CPS cannot provide assistance to you and your query does not raise any new issues we will not be able to provide any further response. If your enquiry does not relate to the CPS we will be unable to provide a response, but may be able to provide contact details for the relevant agency or organisation.
