Memo

To: Liz Fradd
From: Kellie Rehill
c.c. Ruth Jennings
Date: 3 April 2003
Subject: Gosport- Update

Dear Liz

GMC-

I have attached the last letter that we received from Field Fisher Waterhouse Solicitors representing the GMC.

The letter indicates what the next stages will be in relation to this case. Ruth Jennings will take over this work and I will make sure that a brief is provided and the evidence is prepared for collection. However, before the interviews are handed over I think that we may need to inform the interviewees of this (I will update Ruth on this).

Gosport 2

There has been no further correspondence regarding this issue since the meeting in January. I have attached the email sent by Julie on 13/01/03 confirming the outcome of this meeting and the letter received by Peter Homa from the Secretary of State confirming this decision.

Regarding Gosport 2, I have put a folder together which contains all the documents relating to this issue. Within the folder there is a section which contains a chronological copy of all correspondence. This will enable the person who is involved in this to be able to understand the history of when and why particular decisions were made.

Hope this is alright.

Regards

Kellie
