Dear Mr Piper,

**RE: EVALUATION OF GOSPORT WAR MEMORIAL HOSPITAL INVESTIGATION**

In order to learn from, and to improve CHI's investigation processes, we are currently undertaking an evaluation of the Gosport Investigation. As part of this exercise, it is important that we capture the views of key senior Trust staff. The attached questionnaire has been designed to do this. Questionnaires are also being sent to stakeholders, Regional Office, investigation team members and a selection of Trust staff interviewed during the site visit week. This important feedback will be analysed and fed back to the CHI Commissioners, together with a learning plan for CHI. I will keep you informed of the outcome of any discussion.

If you could return your completed form in the enclosed Freepost envelope by **Friday 2 August 2002**, I would be grateful. You do not need to include your name and all information will be treated confidentially.

Yours sincerely
