I attach an information sheet giving a brief introduction to the way in which the investigation team will work, from which you will note opportunities are being offered for local people to meet representatives of the investigation team.

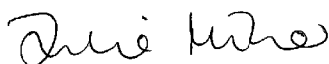

There are three ways in which people from your organisation can contribute to our work:

- I. speaking to a member of the team over the phone
- II. by meeting a representative of the investigation team between 21<sup>st</sup>-23<sup>rd</sup> November in Gosport and Portsmouth - further information can be found in the information sheet
- III. by completing the questionnaire and returning it to our freepost address.

If you would like to meet with us on the 21<sup>st</sup>-23<sup>rd</sup> November, please contact Kellie Rehill, Investigation Coordinator by phone (020 7448 9420) by Wednesday 14<sup>th</sup> November.

Please feel free to circulate the information sheet and Questionnaire as widely as you wish within your organisation.
